

EVERYONE HAS QUESTIONS!

We believe everyone should have the opportunity to explore life and the Christian faith, to ask questions, and share their point of view in an open, friendly environment.

Whether you have just started on your journey or have been on the road for some time, Alpha is a great way to learn alongside others like you.

What to expect!

Evening starts with dessert and refreshments, followed by a 25 minute video, table discussions and large group Q&A.

Come join us on Wednesday evenings starting **January 9th**
7:30-9:00pm
